

PROCLAMATION

*Hoover Board of Education
Census Awareness Month - October 2019*

Whereas, The census is a count of everyone living in the United States every ten years; and

Whereas, the census is mandated by the United States Constitution; and

Whereas, participation in the United State Census is required by law and federal law protects the personal information shared by individuals; and

Whereas, census data are used to distribute Congressional seats to states, to make decisions about what community services to provide, and to distribute billions in federal funds to local, state, and tribal governments each year; and

Whereas, Census Day 2020 will be April 1st - and every household will have the option of responding online, by mail, or by telephone;

Whereas, public schools will play an integral community role in creating awareness of the importance of the upcoming census;

Now, therefore, be it proclaimed that the Hoover Board of Education joins the City of Hoover, State of Alabama, and the United States Federal Government in supporting all efforts related to the 2020 Census.
