

PROCLAMATION

*Hoover Board of Education
National School Lunch Week - October 14-18, 2019*

Whereas, the National School Lunch Program has served our nation admirably for more than 60 years through advanced practices and nutrition education; and

Whereas, the National School Lunch program is dedicated to the health and well-being of our nation's children; and

Whereas, the National School Lunch Program has been joined through the years by many other excellent child feeding programs and there exists evidence of continued need for nutrition education and awareness of the value of school nutrition programs; and

Whereas, research clearly shows a direct correlation between hungry children and performance when it comes to academics, athletics, and test scores; and

Whereas, Hoover City Schools' Child Nutrition Program works with local, state and federal agencies to ensure healthy lunches are a priority for the district;

Now, therefore, be it proclaimed that the Hoover Board of Education joins the National School Lunch Program, the Alabama State Department of Education and other organizations in proclaiming the week of October 14-18, 2019 as National School Lunch Week.

Superintendent
